

**Remove Existing Gravel Parking Lot**

- Restore to grassland or woodland

**New Overflow Parking**

- 24 Trailer Parking Stalls
- 7 Standard Vehicle Stalls
- Trailer stalls can accommodate boat trailers as well as equestrian use, and could be used for overnight river staging and seasonal camping

**Park Host Site**

**Pedestrian Circulation**

**Park Entrance Sign**

**New Inter-Agency Operations Building**

**Hiker/Biker Campsite**

- 6-8 Campsites
- Short-Term to Accommodate Bicyclists and Boaters

**Minam Station**

- Public Information & Interpretive Center
- Interagency Office Space

**Picnic Shelter**

- Accessible Picnic Sites

**Seasonal Boat Ramp**

- Gravel

**Viewpoint**

**Permanent Boat Ramp**

- Paved

**Expanded River Parking**

- 23 Tow Vehicle/Trailer Parking Stalls
- 17 Standard Vehicle Stalls (Including 6 ADA Stalls)

**Notes:**

Changes to Existing Features:

- Formalize and expand existing river parking area to increase vehicle parking capacity (23 tow vehicle/trailer parking stalls) (17 standard parking stalls, 6 ADA)
- Formalize and grade existing river parking area to increase vehicle parking capacity
- Improve boat launch sites
- Remove gravel parking area north of Minam Station building
- Relocate host site
- Improve Minam Station building with interpretive opportunities, office space, and building exterior upgrades

Proposed New Features:

- Overflow parking area west of Minam Station building (24 trailer parking stalls) (7 standard parking stalls)
- Short-term (1-2 nights) Hiker/Biker and river staging campsites
- Accessible picnic shelter and picnic sites
- Viewpoint on top of old bridge abutment
- Stormwater management
- Riparian/upland vegetation restoration
- Larger storage building for inter-agency river operations

**Minam State Recreation Area**  
**Minam Station Development Concept**
