

Notes:

Changes to Existing Features:

- Establish secondary channel of the Wallowa River through the existing group camp areas, consistent with Upper Wallowa River Restoration Plans
- Relocate Group Camp Areas A and B as shown
- Formalize and better delineate parking for Group Camp Area C
- Relocate existing Yurts (2) to proposed "Yurt Village" between B & C Loops (see Yurt Village Development Concept)

Proposed New Features:

- Paved or gravel parking lot for Group Camp Areas A & B (18 spaces)
- Walkways between parking lot and Group Camp Areas, including a pedestrian bridge over the proposed secondary channel
